

Your resource for food info **F.A.S.T.!**

Build customer loyalty and encourage their engagement with our new touch-and-go interactive kiosk. Chock-full of interesting facts, such as general information, recipes, nutrition, buying and storage tips, trivia, and wine and beer pairings (on select departments), the program offers your customers in-an-instant access to your cheese and produce departments (seafood and meat departments are underway) via the technologically nimble Apple® iPad touchscreen tablet set in our sturdy, yet sleek kiosk.

The **Fresh Food 411™** program is the resource to satisfy your customer's every want and need. Consumers simply:

9 1/2"

7 3/4"

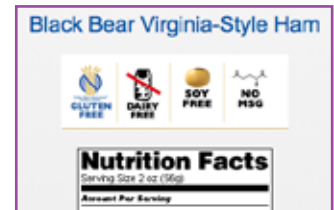

- ✓ Tap a department.
- ✓ Select a category.
- ✓ Choose an item.
- ✓ Pick a menu tab.
- ✓ Email it (optional).

Best of all the **Fresh Food 411™** Interactive Kiosk and tablet can be customized to your specifications. You can even mix-and-match departments!

Our latest option offers a customized virtual deli counter. Your customers will have access to on-demand nutrition facts searchable by product or by the brand you carry while you, the retailer, comply with government guidelines by making the information available to your customers. It's a win-win opportunity! Call our sales team for more information.
